### **Presentation of a Community Aqua box**

12<sup>th</sup> March 2013, will remain a memorable day for the community surrounding Tikwere Nursery School which included the children as they gathered at the school to witness the presentation of a Community Aqua box. The occasion was also attended by District government officials and chiefs. The presentation was made by Mrs Queen Gondwe the Executive Director of Jovwira Foundation for Development to the chairman of Tikwere Nursery School Committee. This donation was made possible through the courtesy of Jim and Kate McKnight of United Altrincham Reformed Church who solicited the donation from the trustees of Aqua box in Matlock Derbyshire.

The Group Village Headman Mwachirwa who spoke on behalf of the community requested Mrs Queen Gondwe to extend his appreciation for the donation which will go a long way in improving the health of the children.

The Trustees of Jovwira Foundation for Development who attended the occasion are also highly indebted to the donors for the timely gift
